MNYI event

MAY 15

Minnesota Youth Institute

The Minnesota Youth Institute (MNYI) engages high school students in solving local and global hunger issues. The interactive, day-long program brings teens from across the state to the University of Minnesota for an immersive science experience while connecting with research and industry leaders. MNYI serves as a gateway to the World Food Prize Symposium and global travel, paid internships and a scholarship to the University.

participants will be
ELIGIBLE FOR:

\$1,000
scholarship
